**Honors German III/IV
Contract**

I have read the packet describing the German III/IV Honors Program, which is U.C. approved, and agree to all its provisions.

I understand all the requirements and recommendations, especially those pertaining to scholarship, attendance, punctuality, participation, leadership and attitude. I understand that all requirements must be met by the quarterly due date and that late work *will not* be accepted. I understand the importance of planning ahead. I realize I must make arrangements to have my work delivered digitally before the end of the school day if I am absent on the due date. I understand that it is my personal responsibility, not the responsibility of my instructor, to remain informed of upcoming due dates and updated honors requirements. All assignments (including portfolio assignments as part of a German Honors course) will be graded by rubric and calculated into course grades.

▪ GRADING SCALE:	A	90-100%
	B	80-89%
	C	70-79%
	D	60-69%
	F	0-59%

For students enrolled in German 3 Honors and German 4 Honors, grade breakdown is as follows: 40% of the semester grade is based on chapter tests, quizzes and projects, 15% on honors assignments, 10% on essentials, 15% on the semester final, 10% on homework and 10% on participation. Honors assignments turned in late (or a student being unprepared to present) will be accepted for half credit.
